

With direct access to top investors, your business idea could be tomorrow's global brand

- ✧ A new way to access funding for your business
- ✧ A fast, cost-effective and completely confidential service
- ✧ No stuffiness and mystique that often surrounds Angel funding
- ✧ Access to thousands of carefully selected high net worths (known as Angel investors)
- ✧ **SpeedFunding™ Events**
Pitch your business idea on a one-to-one basis to individual Angels and gain instant feedback. On average **90%** of entrepreneurs pitching gain interest from at least one Angel and some have as many as ten from a single SpeedFunding™ event.
